PTCC is a citrus-based adhesive cleaner designed to remove most adhesives from unwanted surfaces. Removes adhesives, oil, ink, decals, tar and similar residues.

PRODUCT USAGE

Pionite PTCC is designed to remove unwanted adhesive. Spray a heavy coat over the area to be cleaned. For best results, wait 3 to 5 minutes before wiping clear. For unusually difficult jobs, apply second coat of PTCC to area after first wiping off first application coat. Do not apply new coat of adhesive until the surface is completely clean of PTCC residue.

STORAGE

Do not store in direct sunlight or in areas with temperatures of 120°F or greater.
